Subject: IOC recognition of physico-chemical testing laboratories
O/Ref.: T.21/

Dear Ms Gomà,

At its 103rd session (Madrid, 23–27 November 2015) the IOC Council of Members adopted the list of physico-chemical testing laboratories that meet the conditions for recognition specified in Decision No DEC-14/101-V/2013 of 29 November 2013.

I am therefore pleased to inform you that the Laboratory of ACEITES BORGES PONT S.AU. has been awarded IOC recognition for the period from 1 December 2015 to 30 November 2016. The pertinent certificate will be forwarded as soon as it is available.

I would like to draw your attention to the duties of recognised laboratories listed in the above-mentioned Decision, particularly as regards using and citing IOC recognition. Also, if you did not complete and return Annex I together with your application, you are kindly requested to do so.

The list of recognised laboratories (T.21/Doc No 13/Rev. 18–12.2015) has been posted on the IOC website (www.internationaloliveoil.org).

Yours sincerely,
For the Executive Director

Ammar Assabah
